MEETING DATE AND TIME - CANCELLED

September 19, 2006 10:00 a.m. Pursuant to Elections Code section 19204, notice is hereby given that a public hearing will be held to give interested persons an opportunity to express their views regarding the proposed certification of the voting systems identified below.

Elections Systems and Software, Inc. has advised us that they have withdrawn their Unity 3.0.1.1 and their Rank Choice Voting (RCV) System application in order to make further changes to both systems.
